CALLED to CREATE BELOVED COMMUNITY with EVERYONE

HOW DO WE INVEST IN MINISTRY, MISSION, AND OUTREACH?

COMMUNITY ENGAGEMENT

Central has been a good neighbor for over 150 years, collaborating with civic, business, and non-profits to address concerns and improve our community. In addition, we work with others to address urgent and emerging needs and issues. We are a vital resource by offering space to meet, perform, and serve. The Denver Philharmonic draws annual crowds of over 6,500, and 14 other musical groups and ensembles performed here in 2019. Denver's largest Alcoholics Anonymous group, and other 12-step groups meet here weekly. We extend our welcome and inclusive message through live-streaming services, and social and print media. Our Sturgeon Room Gallery displays artwork of local artists.

FAITH FORMATION/ MEMBER CARE

We believe it takes a lifetime to grow a Christian and a Christian community, so we are committed to offering thoughtful faith formation experiences for all ages. Sunday morning Learning for Life classes explore wide-ranging topics. The Bible Story Room, confirmation, Middle and High School Youth groups provide learning experiences for particular developmental stages. Life Groups promote spiritual growth and deepening friendships. Care Partners visit homebound members, and serve Communion regularly. Staff extend caring through hospital, home, care center, and office visits.

WORSHIP

The heartbeat that inspires our mission. We praise God, hear what God is saying to us today, pray for others, and experience the power of music to draw us closer to God and one another. Sunday mornings at Central include opportunities to connect with friends and the hundreds of visitors who enjoy our welcome. Worship is designed with consideration for children's active participation, and accessibility for people with mobility, hearing, and sight issues.

We share the sacraments of the Lord's Supper and baptism. We worship at special times in the church year, and at transitions such as marriage and death.

MISSION & SERVICE

Following a rich heritage of ministry to neighbors in need, Central works with mission partners to serve others in Jesus' name. We support our premiere partners, New Genesis Transitional Housing Community and Central Visitation Program, with money, shared spaces and hands-on service. Our reputation as a service provider inspires members and non-members to volunteer in projects touching the lives of people experiencing homelessness and food insecurity, parents and children, refugees. We plan and staff for two mission trips annually. We provide confidential financial assistance to members experiencing difficulties. Our staff responds to spiritual needs of people experiencing homelessness, and direct them to appropriate social services.
