EARN INTEREST and lower the cost of your church's mortgage!

When you invest with the Presbyterian Investment and Loan Program, you earn interest on your investment AND help reduce the cost of your church's loan. Since your invested dollars are used to support other loans, you are also supporting the growth of mission and ministry across our denomination.

Choose Term Notes with maturities from six-to-sixty months. For more flexibility, consider the Mission Market Fund which allows you access to your funds when you need them. See our offering circular for a complete description of the notes.
